CITY MUNICIPAL OFFICE,

Bangalore City, Dated 28th Sept. 1929

FROM

C MACHIA, Esq., B.A.,
PRESIDENT
CITY MUNICIPALITY
BANGALORE CITY

GEN & RFV SECTT 1769 11 OCT 1929 L & A branch

To

B. Narayanaswamy Iyengar, Esq.,
General Secretary to the Government of
His Highness the Maharja of Mysore,
B a n g a l o r e.

Sir,

With reference to the Chief Secretary's letter No. L.4657/M1. 23-28-47 dated 12th January 1929 forwarding for disposal a petition received from the Mandi merchants of New Tharagupet, Bangalore City, requesting that a suitable place within easy reach of the Railway Station and other important business centres for construction of shops and a choultry for the convenience of villagers to park their carts may be selected, I have the honour to state that the Municipal City Improvement Committee inspected the locality on 23rd January 1929 and have selected the vacant land lying to the east of Old Pension Mohalla for this purpose. This plot is sufficiently large to be divided into 31 sites of 30' x 100' each with additional space for the construction of a Chatram for the villagers to park their carts. The Council have also approved of this in their resolution No.9 dated 14-9-1929. The New Tharagupet mandi shops situate as they are on the Mysore Road close to the Victoria and Minto hospitals, not only inconveniently block the Mysore Road but are a source of nuisance to the Victoria Hospital patients, and the shifting of these shops to the new site would improve the sanitation of the locality.

I may state in this connection that the site selected belongs to Government and if it is placed at the disposal of the Municipality for this purpose, it would also add to the aesthetic beauty of the road and surroundings.

A sketch of the locality is enclosed for reference and favour of orders.

Copies of the proceedings of the Municipal City Improvement Committee and of the Council are submitted herewith for information.

I have the honour to be,
Sir,
Your most obedient servant,

Chacha

With reference to your letter No L 3381/Ll 23-28-8 dated 9-11-1929 enquiring whether there is any objection to the transfe of the vacant Government land lying to the east of Pension Lines in the Mysore Road to the Bangalore City Municipality for the construction of a new Mandi line, I have the honor to state that the site vests with the Police Department, and to forward herewith a copy of Bangalore Deputy Commissioner's letter No C.2-D 2397/29-30 dated 29-3-1932 reporting that the Inspector General of Police who was consulted in the matter has stated that the land in question cannot be transferred to the Municipality as it is required for the construction of quarters for the City Police He has, however, no objection to spare the land provided another suitable land is given in the locality for constructing Police quarters The Deputy Commissioner agrees with him

Letter No C 2-D 2397/29-30 dated 29th March 1932 from the Deputy Commissioner, Bangalore District, to the Revenue Commissioner in Mysore

---

With reference to your Memo No C 1823/29-30 dated 11/14-11-29 calling for a report in the matter of grant of the vacant land lying to the east of the Pension lines in the Mysore Road, Bangalore City, and in continuation of this Office No C 2-2397/29-30 dated 2-3-32, sending an ad interim report, I have the honor to state that the Executive Engineer, Bangalore Division, in his letter No 1924 dated 4-3-32 states that the Inspector General of Police in Mysore, who was consulted in the matter, has stated that the land in question is required for the construction of quarters for the City Police and that it cannot be alienated unless another suitable site is provided in the same area. I agree with the Inspector General of Police As the land is close to the Police lines and training school, and as the Police want it, I think that the land in question cannot be alienated for the use of the Bangalore City Municipality

From

Chief Secretary to the Government of

Bangalore

Sir,

2 With reference to your letter No 7551/ML dated 11-5-1933 and subsequent reminders ending with letter No L 8065 dated 9-6-1933, enquiring whether the Municipal Council can spare suitable land in any other locality for constructing the Police Quarters in lieu of the Government land lying to the east of Pension lines, in the Mysore Road, proposed to be transferred to the Municipality for the construction of a New Mandy line, I have the honor to state that the City Improvement Committee who inspected the spot on 13-7-1932, was of opinion that the question may be dropped as there was no other Municipal land available in that locality for being given to the Police Department The matter was referred to the Council who at their meeting dated 13-8-1932, deferred the subject for putting up old records connected with the case The records have since been traced and will be placed before the next meeting of Council

In this connection I may state that the land referred to has been given away by Government for the construction of the New Veterinary Hospital and as such the question

question of handing over the land to the Municipality for the construction of sandy lines does not arise. I therefore request that the subject may be dropped.

I have the honor to be,
Sir,
